

Klein High School Softball Booster Club is a non-profit, 501(C) (3) organization. Our softball program is rich in tradition and has seen many young ladies go on to play at the collegiate level. Sponsorship/contributions from companies such as yours make it possible for us to provide these young ladies with uniforms, field improvements, and various other enhancements (like replacing scoreboard, fencing, warning track, and equipment) to the softball program. Our goal is to provide the best facility possible at Klein High.

Thank you so much for your donation.
